

REMARKS

Claims 1,3, 5-6, and 8-9 remain in the case. Claim 6 has been amended. Claim 7 has been canceled.

Claim 6 has been amended to include the limitations of claim 7, specifically, the pressure regulating valve producing a fuel pressure in the fuel line that varies based upon actual engine fuel demand. Claim 7 was objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all the limitations of the base claim and any intervening claim, if any. Therefore, claim 6 is allowable.

Claims 8 and 9 depend from amended claim 6 and are therefore allowable.

In view of the foregoing amendment and remarks, all pending claims are in condition for allowance. Favorable action is respectfully solicited.

Respectfully submitted,

Date:

9/28/2007
